Commissioner for Patents

See Attached Detailed Action

DETAILED ACTION

The reply filed on August 31, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The objection to claim 5 (now claim 22, line 13) replacing "stop portion" to --stop member-- has not been addressed. In addition, applicant is required at this time to supplement/clarify the TRANSMITTAL OF SECOND SUPPLEMENTAL INFORMATION DISCLOSURE filed on May 26, 2005 in order to have the disclosure considered and initialed by the examiner, for the following reasons: In paragraphs 2 and 3 of this TRANSMITTAL, "Exhibit 1" and "Exhibit 2" are referred to. The examiner has received a "Fig. 1" and a "Fig. 2" to review, and the examiner wants to ensure that every document to be considered has been received. Further, in response to page 2, line 17 of this TRANSMITTAL, a form PTO/SB/08A which is requested by applicant to be initialed has not been received. A proper form to be initialed and what is to be considered is required. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lloyd A. Gall whose telephone number is 571-272-7056. The examiner can normally be reached on Monday-Friday, 8:30-5:00.

Art Unit: 3676

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian Glessner can be reached on 571-272-6843. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
